## India - United States Relations

India's relation with other countries will always be an important part of India's foreign policy. One such important relation is India-US relations.

### Overview of India-US Relations

India-US relations has become increasingly multi-faced, covering cooperation in areas such as trade, defence and security, education and technology, civil nuclear energy, peace technology and applications, environment and health. Grassroot level interactions between the people of the two nations provide further validity and strength to this bilateral relationship.

### Major areas of cooperation in India-US relationship

A 'Strategic Dialogue' was established in July 2009 during the visit of US Secretary of State Hillary Clinton to India with the objective of strengthening bilateral cooperation across diverse sectors.

Trade and economic partnership between the US and India has been a key component of the bilateral relationship. As a part of the Economic Dialogue, a separate commercial Dialogue has been set up to cover
