08 Aristotle - What is Revolution?

09 What is a revolution according to Aristotle?  
10 As different from revolution of the kind  
of French Revolution or Russian Revolution  
it is as follows:

- 11 (1) Change in the Constitution
- 12 (2) Change in given group
- 13 (3) Change in form of Government
- 14 (4) Change in institution or set of persons

15 Thus, for the Greeks every constitution-  
16 -onal change was a social and political  
17 revolution. According to Sabine the part  
of 'The Politics' dealing with the subject  
of penetration and mastery of Greek  
Government.
