

08 Hindrances to the creation of sound  
09 public opinion -

10 opinion strong in the real sense, it is  
11 essential that there should be no hindrance  
12 to the mean which create public opinion.  
13 But in practice no government is willing  
14 to do so. In dictatorship the government  
15 imposes many restrictions on the means  
16 for creating public opinion. Besides, the  
17 following are the hindrances in the  
18 creation of sound public opinion -

- 15 (1) Illiteracy
- 16 (2) Partial press
- 17 (3) Disinterested towards social life and  
absence of political consciousness
- 18 (4) Formation of political parties on  
wrong principles
- 19 (5) Defective education system
- 20 (6) Poverty.
