

Details of the performance of the institution in one area distinctive to its vision, priority and thrust

The College focuses keenly on the holistic development of the students and provides them with every opportunity and resource to facilitate their holistic development. This is one of the most distinctive features of the institution. This practice is identified in the context of fostering the unique individuality of each student and of the formation of a well-structured society. The needs of the job market which require individuals with integrity and the construction of society which requires ethical political leaders, visionary economists, aestheticians, artists, social. At the same time the student are also encouraged and facilitated to work on the problems related to the society. The opportunity for the holistic development along with academic growth has been the main reason for the college being one of the most sought out institutions under VKS University Centralized Allotment Process for admissions.
